

# RECYCLE AT HOME

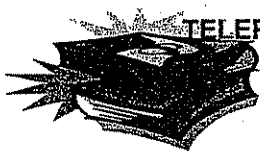

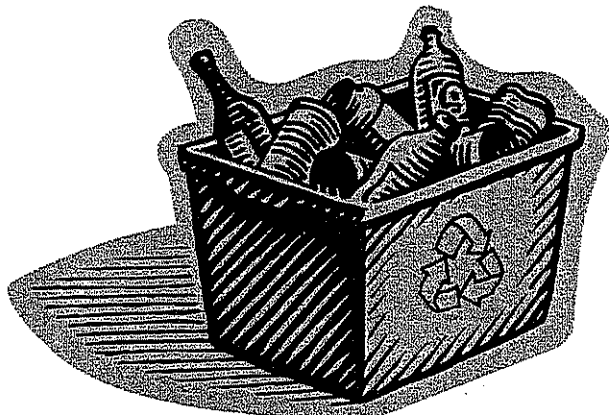

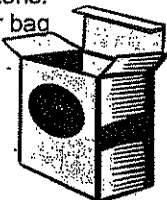

with *THE RECYCLE BIN*  
and  
WASTE MANAGEMENT

## USING THE RECYCLE BIN:

- Prepare recyclables according to the guidelines listed here.
- Place your properly prepared recyclables together (*commingled*) in the *Recycle Bin*. Do not exceed 50 lbs total weight.
- Place *The Recycle Bin* at the curb, 10 feet from trash in plain view.

**BOXBOARD** (alias gray board) - Includes cereal, tissue, and shoeboxes, beer and pop cases. No waxed or plastic-lined boxes, freezer cartons or egg cartons. Store separately in a brown paper bag and place in *The Recycle Bin*.

## TELEPHONE BOOKS, PAPERBACK, NOVELS AND T.V. GUIDES

Telephone books are collected year round. Includes covers. Place loose in *The Recycle Bin*.

**NEWSPAPER** —What ever comes in the newspaper can be recycled with the newspaper. Do not add other paper types. Store separately in a brown paper bag. Place in or under *The Recycle Bin*.

**MAGAZINES** — Includes glossy catalogs, other glossy paper and ad slicks. Remove all non-glossy inserts from between pages and recycle as "mixed office paper". Store magazines separately in a brown paper bag and place in or under *The Recycle Bin*.

**#1 PLASTIC BOTTLES** — Look for the #1 (PET) on the bottom of clear and transparent green bottles. Includes spring water, salad dressing, liquor and mouthwash. Please rinse, discard cap and flatten. Place loose in *The Recycle Bin*.

**MIXED OFFICE PAPER**- Includes white and colored stationery, envelopes, legal paper, computer and copier paper, blue prints, and lined notebook paper. no glossy paper, fax paper, self-adhesive notepaper, window envelopes, paper towels, tissue, or carbon papers. Store separately in brown paper bag and place in or under *The Recycle Bin*.

**#2 PLASTIC BOTTLES** — Look for the #2 (HDPE) on the small-mouthed bottles including milk jugs, detergent bottles and personal care products. NO wide-mouth containers, such as margarine tubs. No bottles that held motor oil or other toxic fluids. Rinse and flatten. Remove and discard caps. Place loose in *The Recycle Bin*.

**ALUMINUM** — Includes aluminum food packaging, aluminum foil, and non-deposit cans. Rinse and flatten. Place loose in *The Recycle Bin*.

**CORRUGATED CARDBOARD** — Must have a rippled paper center. Includes pizza boxes. Staples and tape are okay. No waxed boxes. Flatten and place loose in *The Recycle Bin* or bundle in 2 foot by 2 foot by 1 foot sections and place next to or under The Recycle Bin. **LARGE PIECES OF CARDBOARD WILL NOT FIT IN RECYCLE TRUCK.**

**TIN & STEEL CONTAINERS** — Food containers only. Rinse, remove labels and flatten. Place loose in *The Recycle Bin*.
