FYI: Third-Party Mailings:

Voter Registration and Absentee Applications

Some Genoa Township residents have received voter registration letters or absentee ballot applications from a third-party organization, the Voter Participation Center and the Center for Voter Information.

These mailings did not come from the Genoa Township Clerk's Office or any government elections office and may include outdated or inaccurate information about voter registration status.

- ✓ Check your official voter registration status at Mi.gov/vote (Click on "Your Voter Information")
- ✓ Your voter registration status: If you're already registered, you're all set to vote in person
- ✓ Check your absentee ballot registration status: if you're planning to vote at home, ballots will be mailed on September 24th
- ✓ If you need to apply for an absentee ballot, you can do so at Mi.gov/vote or at the Township Clerk's Office.

Contact the Clerk's office at 810-224-5840 or deputyclerk@genoa.org for any further questions.
