Genoa Township News & Updates

Greetings

Welcome to this month's edition of Genoa Township news via email. Here's what's coming up in the Township:

Sledding at the Township Park

Snow is in the forecast so come enjoy the fresh snowfall at the Genoa Township sled hill!

The sled hill has a vertical drop of approximately 40-feet and a run length of over 200 feet and is fun for all ages.

Benches have been installed at the top for parents and those waiting to sled. There are heated bathrooms and a warming area at the Township Park Pavilion.

There is a parking lot across the Township driveway from the sled hill where parents can sit and watch their sledders in the comfort of their vehicles.

Last but not least, a light pole has been installed at the hill that allows night time sledding until 10 p.m.

All are welcome to enjoy the winter fun for free at the Township sledding hill.
