

April 2023

## Genoa Township News & Updates

### Greetings

Welcome to this month's edition of Genoa Township news via email. Here's what's coming up in the Township:

### Spring Yard Waste Dropoff Dates

Our free 2023 Spring Yard Waste Collection program has been scheduled for 8-11 a.m. on the following dates at the Township Hall:

- Saturday, April 15
- Saturday, May 20

Residents may bring their yard waste to the Township Hall parking lot on these dates. Branches and similar materials must be in 3 foot long bundles.

**Please no plastic bags.**

More information can be found on our Refuse and Recycling page at [genoa.org](http://genoa.org).

### Howell High School Senior Survivor playground construction begins

The playground is being built between the soccer field and the upper parking lot at Genoa Township Park.

The Survivor playground will be accessible as well as consist of elements that encourage engagement among all individuals. The goal of the Survivor playground is to provide a safe place where children of all abilities can play together. Different aspects of the playground will be designed to meet the needs of children who have mobility impairments, have autism, or are sight or hearing-impaired. Everything will be accessible, however the user's unique abilities will determine what they can do. The Survivor playground will be developmentally appropriate for children with and without disabilities by offering a wide range of challenging play opportunities where all children can interact. The focus will be on abilities not disabilities.

Construction of the playground began March 27, 2023 and is expected to be completed by mid Summer 2023.

**We ask that visitors to the park exercise caution and maintain a safe distance from the fenced-in construction site.**

For more information about the park and its sponsors as well as future projects, please visit the [Howell Senior Survivor website](#).

## Hartland School Election Information

Hartland Consolidated Schools has scheduled an election for May 2, 2023. Township residents who live in the Hartland school district have been mailed an application for an absent voter ballot and notified of the change to their polling place for this single election.

The Township Hall will be open from 7:00 a.m. until 8:00 p.m. for any person choosing to vote in person. Applications may be returned to the Clerk's office for those choosing to vote absent voter ballot or email to [polly@genoa.org](mailto:polly@genoa.org) and a ballot will be sent to your home.

## Spring Road Construction Projects

Spring means road construction projects are getting underway. The Livingston County Road Commission has listed a project map on their website that currently includes two projects in the Township:

- Road rehabilitation on Chilson Road from Crooked Lake to Beck roads.
- Signal modernization on Grand River Avenue at the St. Joseph Mercy Health Center intersection.

To look at the project map visit <https://livingstonroads.org/projects/>

## Radon Kits Available

Free radon tests are available in the Township Hall.
