

Vote in the Presidential Primary Your Choice - Your Vote

The Presidential Primary is scheduled for Feb. 27, 2024. Registered voters may choose to vote at the polls on election day, nine days of Early Voting at the Township Hall (see dates on Website) or use an Early Voting application for a ballot. The choice is yours. Please note Michigan Election Law (MCL 168.615c) requires that voters indicate **In Writing** which political party ballot the voter wishes to vote. This requirement only applies to Presidential Primary elections, and voters will **not** be required to select a political party ballot type at other types of elections. Follow this hyper-link to complete an [application for permanent voter status](#). Please know that your vote will always be counted no matter which method of voting you choose. Elections in Livingston County are safe and secure.
