

**GENOA CHARTER TOWNSHIP BOARD
Regular Meeting
September 19, 2022**

MINUTES

Supervisor Rogers called the regular meeting of the Genoa Charter Township Board to order at 6:30 pm at the Township Hall. The following members were present constituting a quorum for the transaction of business: Bill Rogers, Paulette Skolarus, Jean Ledford, Terry Croft, Jim Mortensen, Diana Lowe and Robin Hunt. Also present were Township Manager Michael Archinal, Kelly VanMarter, Planning Director / Asst. Township Manager, Amy Ruthig, Zoning Official, Kim Lane, Human Resources, Township Attorney Joe Seward, and six persons in the audience.

The Pledge of Allegiance was recited.

A call to the public was opened at 6:31 pm.

Mr. Kurt Skarjune spoke regarding police coverage in the Township. He is a retired police officer and an 11-year resident of the Township. He posted this topic on the Nextdoor App and has received over 50 responses. Unanimously, people are in agreement that the Township is underfunded in law enforcement. He provided data showing that townships with populations over 50,000 people have police coverage, except for Genoa and Brighton Township. Additional data included police calls and their response times for Genoa Township, officer safety, the increase in crime, and the percentage of calls for Genoa Township for the County and State police. He would like the Township to set up a committee to address this and he is willing to help.

Mr. Jason Wolford, who is running for the 48th District for Michigan State House of Representatives, introduced himself and reviewed the issues that he would like to address in the district.

The call to the public was closed at 6:41 pm.

Supervisor Rogers stated that these minutes are from the Election Commission, and this is approved by them and should not be on the Township Board's Agenda. Mr. Archinal stated these were put on the agenda in error.

Ms. Hunt stated these are not on the website. Ms. Lowe looked at three different municipalities' websites and could not find Election Commission meeting minutes. Mr. Seward stated that the Open Meetings Act states that draft minutes must be posted within eight business days of the meeting, but it doesn't say they have to be on the website. The Act does specifically say that the agenda has to be placed on the website if the municipality has one.

Supervisor Rogers suggested that all minutes be posted on the website.

Ms. Skolarus invited the Board to come to the meeting where they test the tabulators on September 27 at 2:00 pm.

Mr. Mortensen asked what irrigation leak caused the damage to the sidewalk. Mr. Archinal stated it was the homeowner's association irrigation system. Mr. Mortensen asked if the Township would like to recoup the money for this repair. Ms. Hunt stated it is a Township sidewalk, it is a public safety issue, and it should be fixed. It is unsure how the leak was caused.

8. Request to approve the promotion of Kelly VanMarter to Township Manager per the attached employment contract.

Mr. Archinal stated that Ms. VanMarter will do a great job for the Township. She is the best and brightest in the area. Ms. Hunt does not believe there is a better candidate than Ms. VanMarter. Ms. Lowe agreed.

Ms. Skolarus questioned why travel will be paid for if there is an annual car allowance, why there is a severance package, and why the salary will be \$4,300 more a year than the current manager earns. She also questioned why the Township has employee contracts. She wished that the Board would have been consulted prior to receiving it for the first time in their packet. Mr. Mortensen agreed and stated the car allowance should cover the driving expenses.

Ms. Lane and the Board discussed these issues and agreed that these items should remain as presented in the contract. Ms. Lane stated going forward, she will consult with the Board prior to bringing employee contracts to them.

Mr. Mortensen would like to have the policy for mileage reimbursement reviewed and possibly amended.

Ms. Skolarus questioned the increase in cost. Mr. Archinal stated when the amount was budgeted, it was based on quotes from spring 2021 and prices have increased significantly since that time. Ms. VanMarter stated that the solar tables have not been ordered. Staff was waiting until the budget increase was approved by the Board.

The Board, Ms. VanMarter, and Mr. Archinal discussed the solar picnic table. There were concerns regarding the cost and how secure the umbrella is, questioning if it could be stolen.

Moved by Hunt, supported by Lowe, to amend the Fiscal Year 2022/2023 Budget for Fund 208 Parks and Recreation, Line Item 208-751-934-010 to increase from \$17,000 to \$44,200, with the condition that staff review the security of the umbrella. **The motion carried unanimously.**

Ms. VanMarter stated that like the previous item, costs have increased significantly than what was originally anticipated due to inflation. Ms. Hunt stated lighting has always been an issue on this site. Ms. VanMarter feels it is a safety concern for the public and employees.

Moved by Ledford, supported by Mortensen, to amend the Fiscal Year 2022/2023 Budget for Fund 249 Building and Grounds, Line Item 249-265-981-002 to increase from \$55,000 to \$155,000. **The motion carried unanimously.**

12. Request to modify the Township's participation in the subdivision roads special assessments from 25 percent or \$1,000 per home (whichever is less) to 25 percent or \$1,500 per home.

Ms. Skolarus stated there is no benefit to the Township for this change. Genoa is the only Township that funds subdivision roads. Ms. Archinal stated this has been a Township policy since 2004 and this is a small change. Ms. Hunt stated this is a good program and the reason the road improvement fund was increased.

Mr. Mortensen would like to see what the total cost would be with the projects that are proposed. Staff stated they can provide that information.

Moved by Hunt, supported by Skolarus to table the request to modify the Township's participation in the subdivision roads special assessments from 25 percent or \$1,000 per home (whichever is less) to 25 percent or \$1,500 per home. **The motion carried (Ledford - yes, Croft - yes, Hunt - yes, Lowe - yes, Mortensen - yes, Skolarus - yes, and Rogers - no).**
