

GENOA CHARTER TOWNSHIP BOARD
Regular Meeting
March 3, 2014
6:30 p.m.

AGENDA

Call to Order:

Pledge of Allegiance:

Call to the Public*:

Approval of Consent Agenda:

1. Payment of Bills.
2. Request to approve minutes: Feb. 17, 2013
3. Request Board approval to add – X2504-Brighton City Usage of \$790.67 to Parcel #4711-25-400-049 on the 2013 Winter tax roll as submitted by the Township Treasurer.

Approval of Regular Agenda:

4. Request for approval of Resolution 140303 regarding assistance from the Michigan Department of Natural Resources in the removal of nuisance geese.
5. Discussion regarding draft ordinance amendment regarding temporary sales and events.
6. Discussion and possible determination of Township participation in a proposed Grand Oaks Road Improvement Special Assessment District.
7. Request for approval of the Lake Edgewood Sewer, Oak Pointe Sewer, and Oak Pointe Water Rate Analysis.
8. Review of the January 21, 2014 minutes of the Board with regard to an increase in refuse collection related to the Federal Consumer Price Index and the relationship to the contract rate and adjustments with Duncan that expires July 31, 2016.
9. Discussion regarding an analysis of the Township's cemetery needs.

Correspondence
Member Discussion
Adjournment

*Citizen's Comments- In addition to providing the public with an opportunity to address the Township Board at the beginning of the meeting, opportunity to comment on individual agenda items may be offered by the Chairman as they are presented.

GENOA CHARTER TOWNSHIP BOARD
Regular Meeting
February 17, 2014

MINUTES

Supervisor McCririe called the regular meeting of the Genoa Charter Township Board to order at 6:30 p.m. The Pledge of Allegiance was then said. The following persons were present constituting a quorum for the transaction of business: Gary McCririe, Paulette Skolarus, Robin Hunt, Jim Mortensen, Linda Rowell, Todd Smith and Jean Ledford. Also present were Township Manager Michael Archinal, Township Assistant Manager Kelly VanMarter, Utility Director Dr. Greg Tatara, Attorney Doug Cameron of Mancuso and Cameron and four persons in the audience.

A call to the public was made with no response.

Approval of Consent Agenda:

Moved by Hunt and supported by Mortensen to approve all items listed under the consent agenda as requested. The motion passed.

1. Payment of Bills.

2. Request Board approval to remove the Refuse Assessment of \$110.00 levied on the 2013 winter tax roll against Parcel #4711-22-302-042 as submitted by the Township Treasurer.

Approval of Regular Agenda:

Moved by Ledford and supported by Skolarus to approve for action all items listed under the regular agenda with changes to #3 to be 2014, #5 to be funds 264 and 270, and new item #10 as requested by Hunt. Clarification was requested about going into Open Session and whether or not attorney/client privilege is permissible. Mr. Cameron states that the Supreme Court has held that Attorney Client privilege is appropriate for closed session. Supervisor McCririe states the protocol for this item can be discussed with this agenda item. The motion passed.

3. Request to approve minutes: Feb. 3, 2014

Moved by Rowell and supported by Smith to approve the February 3, 2014 minutes with the following correction – adding “Rowell was contacted by Terry and Rita Croft asking about audio recording of the township meetings. A brief discussion of current practice and potential legalities ensued and there was mixed support for recordings. No action was taken.” The motion approving the amended minutes passed.

4. Request for approval of an amendment to the General Fund budget #101 for Fiscal Year ending March 31, 2014.

Skolarus gave an overview of the proposed amendment. Moved by Mortensen and supported by Rowell to approve the amendment to the General Fund budget #101 as requested. The motion passed.

5. Request for approval of amendments to Funds #264 and 270 for the year ending March 31, 2014.

Skolarus gave an overview of the proposed amendment to Fund #270. Moved by Smith and supported by Ledford to approve the amendment to Fund # 270 as requested. The motion passed.

Skolarus gave an overview of the proposed amendments to Fund #264. Moved by Mortensen and supported by Skolarus to approve the amendment to Funds #264 as requested. The motion passed.

6. Discussion of the proposed budgets for the General Fund #101; Liquor Law Fund #212; Road Improvement Fund #261; Road, Lake, Lighting Reimbursement Fund #264; and Building Reserve Fund #271 for the Fiscal Year ending March 31, 2015.

Skolarus presented and reviewed the proposed budgets for all funds. (Note - The proposed budget for the General Fund may be viewed on the Township web site at www.genoa.org Residents may send comment to the board or attend the March 17th.) Mortensen would like to see a \$1,000 increase in the salaries for the Supervisor, Clerk and Treasurer and a 1.5% increase for the Trustees. Rowell would like to present the MTA tool on the screen at the next meeting as an agenda item. Ledford thinks the PC and ZBA fees should be increased with the other boards. The board took no formal action.

7. Request for approval of Resolution #140217 regarding assistance from the Michigan Department of Natural Resources and the removal of nuisance geese.

The Board requests more clarification on why this resolution is requested. Moved by Skolarus and supported by Smith to table the request until the next regular meeting. The motion passed.

8. Request for approval of the consolidated utility systems allocation percentage and the DPW Department Budget for the Fiscal Year ending March 31, 2015.

Dr. Greg Tatara - The allocation percentage was approved by MHOG and GO at previous meetings. Salaries are the biggest expenditures. Budget is 2.1 million. In four years it has gone up 2.2% which is less than inflation and within that time they have added two new positions and additional vehicles. The Board commends Dr. Tatara on doing a great job and running the utility systems properly and efficiently.

Moved by Smith and supported by Mortensen to approve the utility systems allocation percentage as requested. The motion passed.

Moved by Smith and supported by Mortensen to approve the utility systems budget as requested. The motion passed.

9. Discussion Regarding Michigan Township Association scholarship.

The Board supports using the website and social media to advise residents of the scholarship offered through Michigan Township's Association.

10. Request approval of an adjustment to the 2013 Winter Tax roll to remove the Brighton City Delinquent Usage special assessment for Parcel #4711-25-400-019 at the request of Hunt.

Moved by Smith and supported by Skolarus to adjust the 2013 Winter Tax roll to remove the Brighton City Delinquent Usage special assessment on parcel 4711-25-400-019 that was billed in error. The motion passed.

11. Consider request to enter into closed session to discuss written communication subject to attorney/client privilege pursuant to Section 8(e) of the 1976 Open Meetings Act.

Mr. Cameron states the motion should be to discuss written communication subject to attorney/client privilege. Moved by Ledford and supported by Skolarus to enter into closed session at 7:30 p.m. for discussion of written communication subject to attorney/client privilege as requested referenced by Attorney Cameron. The motion carried by roll call vote as follows: Ayes – Ledford, Smith, Hunt, Mortensen, Skolarus and McCririe. Nay – Rowell.

The regular meeting of the board was re-opened at 7:45 p.m.

Moved by Ledford and supported by Smith to continue taking the meeting minutes for the Township Board as it has always been done. Further, the consensus of the board is that neither recordings nor transcriptions are necessary. The motion passed with Rowell voicing a no vote.

Correspondence:

- McCririe - Moody's Investment Service has upgraded the rating from Aa2 to A1 for Genoa Township due to the hard work of the Township Treasurer Hunt and Manager Archinal in providing hours of detail concerning township finances. Congratulations are in order.
- The Board would like to look into dredging out the ponds on the property to create a fishing/skating amenity.
- Trustee Rowell would like to see the Township send a letter to the State asking for more road improvement funding.
- Mr. Archinal discusses the possibility of a special assessment district for improvements to Grand Oaks Drive. Township participation will be addressed at the first meeting in March.

The regular meeting of the Genoa Charter Township Board was at 7:50 p.m.

GENOA CHARTER TOWNSHIP BOARD – Regular Meeting – Feb. 17, 2014

Minutes taken by:
Kelly K. VanMarter

A handwritten signature in cursive script that reads "Paulette A. Skolarus".

Minutes reviewed by:

(Press/argus 02/21/2014)

Memo

To: Genoa Twp Board
From: Robin Hunt
Date: 2/26/2014
Re: 2013 Winter Tax Roll Change Request

As you may recall at the 2/17/14 Township meeting the Board approved the removal of Special Assessment X2504-Brighton City Water Usage, which was levied to an incorrect parcel. I am now asking for your consideration to add the same amount to the parcel that should have been levied originally.

I am therefore requesting Board Approval to adjust the amount levied on the 2013 Winter Tax Bill with the corresponding administration fee as follows:

Parcel #4711-25-400-049 X2504 – Brighton City Usage + \$790.67 Admin. Fee + \$ 7.91

Please let me know if you have any questions. Thank you for your consideration.

RESOLUTION 140303

RESOLUTION REGARDING ASSISTANCE FROM THE MICHIGAN DEPARTMENT OF NATURAL RESOURCES IN THE REMOVAL OF NUISANCE GEESE

**GENOA CHARTER TOWNSHIP
LIVINGSTON COUNTY, MICHIGAN**

At a regular meeting of the Board of Trustees of Genoa Charter Township, held on February 17, 2014,

WHEREAS, the Township Board of Trustees has determined that the geese create an extremely unhealthy and unsightly condition in these areas for the residents; and

WHEREAS, the Township Board of Trustees is of the opinion that a program of entrapment, removal and relocation, and egg and nest destruction, pursuant to permits issued by the Michigan Department of Natural Resources will provide the most humane method of ridding the Township of the problem; and

WHEREAS, residents clearly understand that the birds removed may be released at other sites within or outside the State or may be disposed of by euthanization;

NOW THEREFORE BE IT RESOLVED that The Genoa Charter Township Board of Trustees hereby formally requests the assistance of the Michigan Department of Natural Resources in the implementation of a program of entrapment, removal and relocation of these geese, and nest and egg destruction, for a 5-year time period concluding in 2019.

IT IS FURTHER RESOLVED that this program shall be at no cost or liability to Genoa Charter Township. By adoption of this Resolution, Genoa Charter Township will not be filing an application for a permit on behalf of any person or entity, will not be subject to the rules, regulations, terms and conditions of any permit that may be granted an any person or entity, and assumes no responsibility or liability for compliance with any permit that may be issued.

NOW, THEREFORE, BE IT RESOLVED: The Board of Trustees of Genoa Charter Township does hereby adopt Resolution No. 140217, creating a goose roundup resolution.

Roll Call Vote: Ledford, Smith, Hunt, Rowell, Mortensen, Skolarus and McCrie.

RESOLUTION WAS DECLARED ADOTPED.

Paulette A. Skolarus, Clerk

I, Paulette Skolarus, duly elected Clerk, hereby certify that the foregoing is a true and complete copy of the Resolution adopted by the Genoa Charter Township, at a regular meeting held on February 17, 2014, and public notice of said meeting was given and minutes of said meeting were kept and will be or have been made available as required.

In witness hereof, I have hereunto affixed my official seal this 17th day of February, 2014.

Paulette A. Skolarus, Clerk

Polly

Subject: RE: Goose nest destruction

Polly,

I don't how much Kim has explained about this program so I'll give an explanation.

Brighton Recreation Area like most state parks Southern Michigan has been participating in various Canada goose management programs for decades. Because of the abundance of lakes in our parks we are often overrun with geese. These animals are very prolific in that they can reproduce 5-8 goslings per year. They defecate on the beaches and lawns of the parks and create a serious health concern for those that swim or wade in the water especially small children. This activity increases levels of coliform bacteria and E-coli in the water and can force those beaches to be closed by the county health departments. The DNR Wildlife Division and the US Fish and Wildlife Service recommend some sort of management of the geese. One method has been to roundup the geese in early June when they are unable to fly. They are then re-located out of state or to another location in state. This is only marginally successful since they often return later that summer or the next year. It is also very stressful to the geese and many die in transit. After attempting this for 5 years the USF&WS suggests a nest destruction program with subsequent harassment to keep them from the area.

In early spring when the geese have nested and lay their eggs, the park rangers locate the nests, remove the eggs and disassemble the nest. Without the nest or the presence of young, the adult geese have no reason to remain on the lake. Following the egg removal and nest destruction, the rangers begin a noise harassment program. With the use of air horns and firework-like devices called bird bangers they flush the geese from the beaches and lakes. Without the young the birds relocate to less used areas. The birds are not harmed in any way.

Last year we located and destroyed 15-20 nests. We also chased most of the geese to the undeveloped sections of the lake. Unfortunately we did not remove the nests from upper Chilson Pond or Carorga Lake. Because of this many young were hatched on those lakes and the parents remained. We would like to expand our program to both areas this year. In order to do so we need a resolution from the township because all of the shoreline is not State property. We would require no assistance from the township or local property owners. We would be happy to include them in our program if they wished to participate. The training is free and offered sometime in March.

Any further questions please call my private line.

Thank you.

Polly-

I'm not in the office today. If you need something right away I can come up with something, otherwise I will be back in the office tomorrow and can write up a more detailed email/letter. I have Wednesday/Thursday off normally. Mike Donnelly, the park supervisor, should be in the office today if you need someone right away. Just let me know.

Thanks,
Kim

Subject:

Kim, The board tabled your resolution last evening. The board asked for clarification concerning the resolution. Will you be so kind as to send me a letter regarding the request. I will be in the office on Thursday. Polly

p.s. you can just send an e-mail note if you choose, perhaps giving a little history as to the reason for the request.

CURRENT LANGUAGE:

- (v) *Accessory temporary outdoor sales and events may be permitted only in connection with, incidental to and on the same lot with a permitted use and shall comply with the following conditions:*
- (1) *Merchandise sold shall be that of the regular retail use in the principal building of the site.*
 - (2) *Proof of tenant occupancy in the principle building shall be provided to the satisfaction of the Zoning Administrator.*
 - (3) *The event or sale shall be permitted a maximum of twice during a calendar year for a maximum of fourteen (14) days total.*
 - (4) *The Zoning Administrator shall approve a land use permit including a sketch plan illustrating structures, sufficient off-street parking, utilities, lighting and signs prior to initiation of such activity. (as amended 12/31/06)*

PROPOSED LANGUAGE:

DEFINITIONS:

Temporary outdoor sales and events: Those accessory outdoor business activities which are intended to occur outside the primary structure on a developed lot and are established for a fixed period of time with the intent to discontinue such use upon the expiration of such time and which does not involve the construction or alteration of any permanent structure. Temporary outdoor sales are defined as those outdoor business activities which sell or offer for sale, barter or exchange any goods, wares, service, merchandise or food stuff of any kind on private and public property and include but is not limited to seasonal sale of merchandise related to holidays, sidewalk sales, or promotional events. Temporary outdoor events are defined as non-commercial, non-profit events that do not involve sales and include but is not limited to motor vehicle shows, animal shows and other activities open to the general public.

- (v) Temporary outdoor sales and events may be permitted on the same lot with a developed permitted use and shall comply with the following conditions:
- (1) The sale or event shall be allowed for a combined total of a maximum of twenty-eight (28) days during a calendar year.
 - (2) There shall be no outside vendors. Merchandise sold or service provided shall be that of the regular use in the principal building of the site. Proof of tenant occupancy in the principle building shall be provided to the satisfaction of the Zoning Administrator.
 - (3) The sale or event shall be contained on-site and shall not have an adverse impact on adjacent properties or the surrounding neighborhood. Parking shall be provided on-site and shall not exceed parking and/or occupancy loads.
 - (4) The sale or event shall not occupy or utilize the street right-of-way nor block traffic movement on the street, and shall allow pedestrians to utilize the sidewalks. Available sanitation facilities must be adequate to meet the requirements of the expected attendance and any temporary facilities shall be approved for use by the Livingston County Health Department. Traffic and dust control measures shall be utilized as necessary throughout the duration of the sale or event.
 - (5) In addition to Genoa Township Ordinances, temporary sales and events shall be subject to all applicable statutory requirements including but not limited to the Livingston County Sanitary Code,

the regulations of the Livingston County Health Department, Building Department, Road Commission, Sheriff's Department and the Brighton Area Fire Authority, as applicable.

- (6) The applicant shall submit and obtain approval of a Land Use Permit to be reviewed by the Zoning Administrator. The application for Land Use Permit shall include a site plan illustrating location of structures and sale/event areas (with setbacks), sufficient off-street parking, means of ingress/egress, location of utilities, fire lanes, proposed and existing lighting and signs prior to initiation of such activity.
- (7) The use of any sound system shall be controlled so as not to become a nuisance to adjacent properties and shall comply with the Township Noise Ordinance.
- (8) Failure to comply with any of the standards within this section shall constitute grounds for immediate termination of the Land Use Permit for the temporary sale or event.

MEMORANDUM

TO: Township Board

FROM: Michael Archinal 

DATE: 2/27/14

RE: Grand Oaks Road Improvement

We have held an informational meeting with the properties located on Grand Oaks to discuss road improvements. The response has been favorable. The Livingston County Road Commission will be doing design and refining numbers for construction in 2015.

A draft Special Assessment roll has been developed and is attached. One variable is the level of Township Participation. Our normal participation is 25% of the total project cost or \$1,000 per parcel whichever is less. There are 35 parcels so normally it would be \$35,000. I think you can make a case that the number should be higher for Grand Oaks:

- Economic Development. Grand Oaks is a pretty nice little industrial park with great access and a terrible road. The road improvement will have a positive impact on property values.
- Cut through traffic. Usually residential subdivisions only serve the residents of the sub. Grand Oaks will serve as a significant cut through to the Latson interchange.
- At .8146 mills it takes a \$300,000 home 8.18 years to pay Genoa Township \$1,000 in taxes. Ovidon, for example, (est. TCV of \$1,920,800) pays Genoa Township \$1,000 in taxes every 1.27 years.
- Increased participation would be helping those properties willing to tax themselves which is something I heard from the Board after the defeat of the road millage.

25% of the total project cost would be \$300,000. \$1,000 per parcel would represent \$35,000. The draft roll assumes Township participation at \$100,000 and generates numbers that appear reasonable.

Please consider the following action:

Moved by _____, supported by _____, to establish Township General Fund participation in the Grand Oaks Road Special Assessment District in the amount of \$

MEMO

TO: Honorable Members of the Genoa Charter Township Board
FROM: Greg Tatara, Utility Director
DATE: February 26, 2014
RE: Lake Edgewood Sewer, Oak Pointe Sewer, and Oak Pointe Water Rate Analysis
MANAGER REVIEW: 

.....

For consideration at tonight's Board Meeting are budget and rate approvals for the Lake Edgewood Sanitary Sewer System, Oak Pointe Sanitary Sewer System, and the Oak Pointe Water System. We believe these smaller systems have benefited greatly from the consolidated utility operations. They have been able to receive the necessary preventative maintenance, oversight, and technical expertise that a typical large utility system would have received. Although we have not experience large budget surpluses or contributed significantly to replacement and capital improvement funds, these systems have become more financially independent and less volatile with regard to expenses and rate adjustments. This increase stability is highlighted in *Attachments #1A – 1C*, which present a summary of the historic as well current financial state of these systems. For each system, we have included a summary of the historic rate adjustment, user rates, revenue and expenses from Fiscal Years 2007 – 2015, and historic flow numbers.

In the following sections, we present the current fiscal year budget, the 9-Month Budget to Actual Report, an amended FY 2014 Budget, and the proposed FY 2015 Budget along with any recommended rate adjustments for each utility system.

Lake Edgewood Sewer System

Presented as *Attachment 2A* is the budget summary sheet for the Lake Edgewood Sewer System. One year ago, we proposed an original budget for Lake Edgewood that was predicted to finish with a small surplus of \$6. Through 9-months, we are pleased to report that our revenues exceed expenditures by \$3,738. The largest expense to Lake Edgewood has been the installation of the new Supervisory Control and Data Acquisition System for the collection system and plant. This system has greatly improved remote monitoring and operational control of the system. Utilizing our 9-month to actual data, we have developed an amended budget that results in a surplus of \$966 for the year.

For FY 2015, we are requesting a 3% rate adjustment to metered customers, which will increase the per 1,000 gallon rate from \$6.43 to \$6.62. We are also requesting that flat rates increase from \$110.87 per quarter to \$120 per quarter, which is an 8% increase. These increases are

required to reduce our budgeted lost for FY2015. We are proposing that expenses will increase by approximately \$16,000 in FY 2015 or 5.3%. This is due to planned closure of the existing sodium and chloride plume as a result of new state regulations, an increase in labor expenses of \$9,000, due to allocation percentage and DPW changes, planned painting of the building, and an increase in electrical costs. We are comfortable with the proposed loss next year of \$11,458 as we are hopeful that in FY2016 the annual cost of \$15,000 for Sodium and Chloride compliance monitoring will be removed from the budget. Finally, the increase the flat rate charge is proposed for a couple of reasons. First, the metered rate at \$6.62 equates to a quarterly charge of \$129.88 for a typical home that uses 218 gallons per day, or one REU. Secondly, the 75 flat rate customers in Lake Edgewood all have grinder pumps, which have increased maintenance and repair charges that are specific to only this category of customer. In Lake Edgewood, we budget \$6,000 annually for Grinder Pumps repairs, which equates to \$80 per customer per year.

Oak Pointe Sewer System

Presented as *Attachment 2B* is the budget summary sheet for the Oak Pointe Sewer System. One year ago, we proposed an original budget for Oak Pointe Sewer System that would finish with a surplus of \$44,516. Through 9-months, our revenues exceed expenditures by \$46,492. The largest expense to Oak Pointe Sewer has been the purchase of new grinder pumps to phase out the 200 Series grinder pumps which are obsolete and nearing their useful life of 20 years. We purchased enough pumps to change out those pumps that are failing and no longer able to be repaired over the next fiscal year. We have also spent over \$18,000 from the O&M fund to cover preliminary expenses with the capital improvement project to connect Oak Pointe to the Genoa-Oceola System.

For FY 2015, we are requesting no rate adjustment to metered or flat rate customers in the Oak Pointe Sewer System. Without a rate increase, we are projecting a surplus of \$20,073 for FY 2015. It should also be noted that we budgeted for revenue and expenses associated with the planned capital improvement bonds to connect Oak Pointe to the Genoa-Oceola System. A debt charge will have to be assessed on customers; however, we are not recommending this occur until the design, bidding and financing have been completed. Additionally, we are hopeful that some of the surplus O&M funds may be able to be used to reduce debt payments, which will lower charges to the customers. We will present debt charge rate recommendations to the Genoa Township Board this summary following receipt of bids on the project.

Oak Pointe Water System

Presented as *Attachment 2C* is the budget summary sheet for the Oak Pointe Water System. We proposed an original budget for Lake Edgewood that was predicted to finish with a small surplus of \$981. Through 9-months, our revenues exceed expenditures by \$41,336. The primary reason for this surplus after 9-months is a result of the higher summer usage revenue in the system. As a result, we have prepared a revised budget for FY 2014 that will result in a small surplus of \$1,229. The decline in surplus from 9-months to the end of the fiscal year is due to reduced fall and winter usage in the Oak Pointe System.

For FY 2015 we are requesting a 1.3% rate adjustment to metered customers, which will increase the per 1,000 gallon rate from \$3.08 to \$3.12. The primary reason for this increase is to increase capital improvement reserve transfers from \$5,000 annually to \$20,000 annually. We are also requesting that the current \$10 per quarter debt charge be increased to \$15 per quarter. This debt charge, which was initiated in 2007, has been used to pay back the December 2001 Loan for \$150,000 for painting of the water treatment plant as well as a portion of the March 2012 Loan for the Oak Pointe Water SCADA system improvements. In 2015, we plan to paint the interior and exterior of the elevated tower for Oak Pointe. This painting project, due to the need to encapsulate and blast the tower, will cost over \$300,000 to complete. Therefore, we want to complete repayment of the 2012 loan by 2015 and set up a debt charge to pay back the elevated tower project between 2016 and 2021.

Rate Adjustment Recommendations

Based on the above explanation and the attached documents, please consider the following motions:

Moved by _____, supported by _____ to approve the FY 2015 Operating Budgets for the Lake Edgewood Sewer System, the Oak Pointe Sewer System and the Oak Pointe Water System.

Move by _____, supported by _____ to increase the Lake Edgewood Sewer System metered sewer rate from \$6.43 per 1,000 gallons to \$6.62 per quarter and the flat rate sewer from \$110.87 per quarter to \$120 per quarter, effective June 1st, 2014.

Move by _____, supported by _____ to increase the Oak Pointe Water System metered water rate from \$3.08 per 1,000 gallons to \$3.12 per 1,000 gallons and the debt rate from \$10 per quarter to \$15 per quarter, effective May 1st, 2014.

Lake Edgewood Sewer

Rate, Flow and Financial Summary

See Notes
1, 2, 3, 4 & 5

Notes:

1. The Revenue to Expense Report is based on the annual audit for FY 2007 through FY 2012
2. 2007 was a 9 month year due to the change to a Charter Township.
3. The Revenue to Expense Report is based on projected numbers for FY 2013 and FY 2014
4. Overall revenue is beginning to stabilize and increase
5. FY 2013 is the first year that revenues exceeded expenses.

Oak Pointe Sewer

Rate, Flow and Financial Summary

See Notes
1, 2, 3 & 4

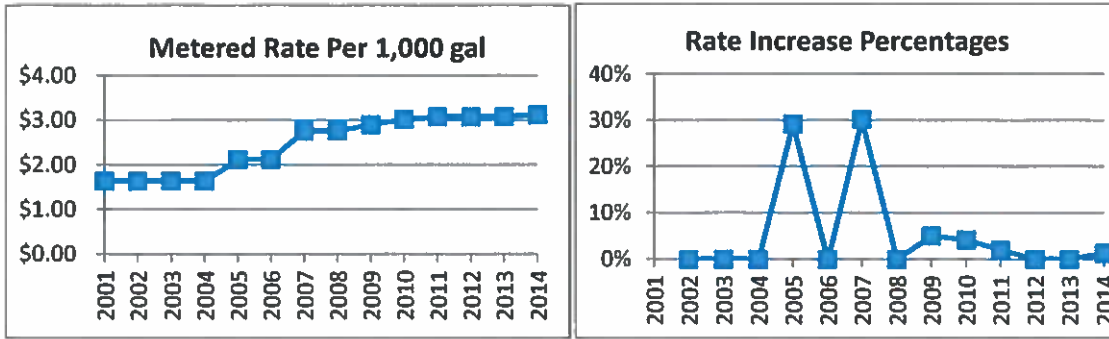

Notes:

1. The Revenue to Expense Report is based on the annual audit for FY 2007 through FY 2013
2. 2007 was a 9 month year due to the change to a Charter Township.
3. The Revenue to Expense Report is based on projected numbers for FY 2014 and FY 2015
4. Large increase in expenditures in 2014 and 2015 is due to purchase of new grinder pumps in FY 2014 at \$104,000; and projected \$170,000 in expenditures and revenue for OP to G-O debt in 2015.

Oak Pointe Water

Rate, Flow and Financial Summary

See Notes
1, 2, 3, & 4

See Note 4

Notes:

1. The Revenue to Expense Report is based on the annual audit for FY 2007 through FY 2013.
2. 2007 was a 9 month year due to the change to a Charter Township.
3. The Revenue to Expense Report is based on projected numbers for FY 2014 and FY 20145.
4. Overall revenue decreased in FY ending 2014 due to low irrigation usage.
5. Oak Pointe Water is over **\$1,130,000** in debt for bulk storage improvements that is not being paid back.

GENOA CHARTER TOWNSHIP BOARD
Regular Meeting
January 21, 2014

MINUTES

Supervisor McCririe called the regular meeting of the Genoa Charter Township Board to order at 6:30 p.m. The Pledge of Allegiance was then said. The following persons were present constituting a quorum for the transaction of business: Gary McCririe, Paulette Skolarus, Robin Hunt, Linda Rowell, Todd Smith, Jim Mortensen and Jean Ledford. Also present were Township Manager Michael Archinal, Township Assistant Manager Kelly VanMarter, Township Attorney Frank Mancuso and six persons in the audience.

A call to the public was made with no response.

Approval of Consent Agenda:

Moved by Mortensen and supported by Skolarus to approve all items listed under the consent agenda as requested. The motion passed.

1. Payment of Bills: Check Registers dated January 6 and January 21.
2. Request to approve minutes: Dec. 16, 2013
3. Request Board approval to remove the MHOG Usage Assessment \$3,283.15, levied on the 2013 Winter tax roll against Parcel #4711-09-102-003 and to add the MHOG Usage, \$3,283.15 to Parcel #4711-09-102-001 as submitted by the Township Treasurer.
4. Request to adjust the legal services rate for the Township Attorney.
5. Request to approve MTA Conference budget.
6. Proposal from Tetra Tech to provide a water and sanitary sewer connection fee study for an amount not to exceed \$4,500.

Approval of Regular Agenda:

Moved by Ledford and supported by Smith to approve for action all items listed under the regular agenda as requested. The motion passed.

7. Resolution to approve a microbrewery and small wine maker application at 4060 E. Grand River; Eternity Brewing Company, LLC.

Moved by Mortensen and supported by Hunt to approve Resolution No. 140121 for a microbrewery and small wine maker application as requested. The motion carried by roll call vote as follows: Ayes – Ledford, Smith, Hunt, Rowell, Mortensen, Skolarus and McCririe. Nays – None.

8. Discussion regarding the FY 2013/2014 through 2018/2019 Capital Improvements Program.

- The Board requested that the Manager work with the Road Commission to see if there are plans for a light at Hampton Ridge Boulevard and if so what is timing and who would own and maintain a signal.
- There was no support for a band shell.
- The Board would prefer to let the County take the lead on providing baseball/softball facilities.
- In regard to acquisition, the Township should include it in the plan but should look to leverage Township funds by getting grants.
- The consensus of the Board was that sidewalks and pathways should be a priority.
- Road effort of \$250,000 is supported towards maintaining the limestone roads we have to the best of our ability. Include adding limestone to Crooked Lake east of Latson Road.
- There is no support for seeking additional cemetery land but utilizing existing land would be supported.
- Keep senior center and a professional survey on the radar as possible future considerations.

9. Consideration of a request from Livingston County for financial support of a MDNR Trust Fund grant application for park development on the Filmore property.

Moved by Hunt, Support by Skolarus to contribute up to \$3,000 because the project is within our jurisdiction and it would be a pledge towards matching funds from a grant. The motion passed.

10. First review of the FY 2014/2015 Budget – consider increasing the annual refuse collection fee from \$110 to \$113.30.

Moved by Hunt and supported by Ledford to leave it at \$110. The motion failed as follows: Ayes (3) –Ledford, Hunt, Rowell. Nays (4) – McCririe, Mortensen, Skolarus, Smith.

Moved by Smith and supported by Skolarus to increase refuse collection by the amount of the federal Consumer Price Index in our disposal contract in the effective year. This will cover the incremental increase in cost to the Township. The motion passed as follows: Ayes (4) – McCririe, Mortensen, Skolarus and Smith. Nays (3) – Ledford, Hunt, Rowell.

Trustee Rowell would like to see no increase in elected official and appointed official pay in the next budget. Trustee Smith makes a point that any comparison study would need to be an apples to apples comparison including services offered, SEV, population, etc. Trustee Mortensen states that the Clerk, Treasurer, and Supervisor are livelihood positions and they should be competitive and adjusted for inflation. Additionally, they should be adjusted every year so that they don't fall behind and create a gap. No further action was taken by the board.

11. Consider approval of February 2014 Township Newsletter articles

GENOA CHARTER TOWNSHIP – Regular Meeting - Jan. 21, 2014

Trustee Smith states that Paul Rogers would like to add something about the Howell Senior Center to the Newsletter. There may not be room in the February newsletter to add it but we will try if Mr. Rogers can get something turned in in the next day or two. Remove the passport reference since it is not a service offered at the Township.

Correspondence –

- Ledford – asked for a copy of the appointments list to ZBA and PC.
- Rowell – Consider vendor list and look at what items can be bid each year. The consensus of the Board was that for some vendors such as the attorney or auditor, the history, consistency, level of service and reputation are invaluable.
- Mortensen – The Board should be provided with the top 20-25 vendors by cost.

The regular meeting of the Genoa Charter Township Board was adjourned at 8:33 p.m.

Minutes taken by:
Kelly K. VanMarter

Minutes reviewed by:
Paulette Skolarus, Clerk

(press/argus 01/31/2014)

CONTRACT FOR REFUSE REMOVAL AND RECYCLING SERVICES

THIS AGREEMENT, made this 3rd day of May, 2011, by and between Genoa Charter Township, a Michigan municipal corporation, with offices located at 2911 Dorr Road, Brighton, Michigan 48116, hereinafter referred to as the "Township", and DUNCAN DISPOSAL SYSTEMS, INC., a Michigan corporation, hereinafter referred to as the "Contractor", whose principal place of business is located at 23333 Griswold Road, South Lyon, Michigan 48178.

WHEREAS, the Township is desirous of providing to all of its residents a rubbish, garbage and recycling pick-up service pursuant to authority granted to general law townships by the Waste Management and Resource Recovery Finance Act of 1978, Act 345 of 1978, and pursuant to the Township Ordinance for Operation of the Waste Management Project, Ordinance No. 900102;

WHEREAS, Contractor is an insured garbage and refuse handler with 35 years of experience in the industry;

WHEREAS, the Township Board, by motion made at a regular meeting on May 2, 2011 resolved to enter into this Contract for Refuse Removal and Recycling Services with Contractor; and

WHEREAS, the Contractor has agreed to perform such services for all residences located with the Township and the Township has agreed to pay for same, in accordance with the terms and conditions hereinafter described and set forth.

NOW, THEREFORE, in consideration of the mutual promises made by each of the parties hereto, it is agreed as follows:

1. TERM:

(a) The term of this Contract is for the period commencing August 1, 2011 and continuing through July 31, 2016.

(b) No cause shall be necessary for termination of this Contract. This Contract may be terminated without cause by either party by giving one-hundred eighty (180) days written notice to the other party.

(c) The term of this Contract may be extended for an additional term of two years at a contract rate to be mutually agreed upon by the parties.

2. TOWNSHIP ORDINANCE 900102:

This Agreement is subject to the provisions of the Township's ordinance 900102, as amended from time to time, provided that any amendment does not significantly increase

Contractor's obligations. Contractor shall abide by the provisions of said ordinance, as amended, that are applicable to Contractor.

3. CONTRACT RATE AND ADJUSTMENTS:

(a) Contract Rate. The Township agrees to pay Contractor and the Contractor agrees to accept in full consideration of services rendered, the following rates:

08/01/2011 – 07/31/2012	\$11.04 per month per unit
08/01/2012 – 07/31/2013	\$11.21 per month per unit
08/01/2013 – 07/31/2014	\$11.37 per month per unit
08/01/2014 – 07/31/2015	\$11.55 per month per unit
08/01/2015 – 07/31/2016	\$11.72 per month per unit

A "unit" is a single family residential household.

(b) Unit Count. A complete list of unit stops shall be provided by the Township prior to the commencement of the Contract term. The Township represents that there are 6,860 units as of the date of this Contract.

(c) Adjustment of Unit Count. The unit count shall be adjusted as of the first of the month following any additional pickup(s) and the unit rate shall be prorated for the first month of service for a new unit based on the number of weeks the new unit was serviced in the first month. Thereafter the full unit rate shall be paid for such unit. Likewise, the unit count shall be adjusted as of the first of the month following any units no longer serviced because of demolition and the unit rate shall be prorated for the first month of termination of service for a demolished unit based on the number of weeks the demolished unit was not serviced in the first month. Each adjustment to the unit count shall be effective for the remainder of the contract term and the effect of such adjustments shall be cumulative.

4. PAYMENT TERMS:

Contractor shall submit an invoice to the Township on or before the first (1st) of each month for the services to be performed during the coming month. Such invoice shall be based on the number of residential units to be serviced during the coming month with an appropriate adjustment for new units serviced during the prior month in accordance with Section 1(c) above. Payment by the Township shall be due and payable on the last day of the month.

5. NOTICE TO UNITS TO BE SERVICED:

(a) At least 60 days prior to commencement of the Contract term, the Township will provide Contractor with a complete list of all units to be serviced including owner names and addresses. In addition, the Township will also provide Contractor with a list of households presently renting a cart from the current waste hauler, Waste Management, and the amount

which each such household has prepaid past August 1, 2011. The Township will notify the present waste hauler that as of August 1, 2011 their provided carts will not be serviced by Duncan. The Township will also instruct the present hauler to refund any unused portion of the cart rental fee to the homeowner who has prepaid past August 1, 2011. As an alternative, Waste Management may choose to pay Duncan directly for the total prepaid amount and Duncan will credit the prepaid customers the appropriate amounts due them for their prepayment.

(b) Prior to initiating collection under this Contract, Contractor will prepare and mail a notice to each household setting forth pertinent information including requirements for curbside collection, information regarding any change of pickup day, existing cart replacement procedure, recycling bin and rental cart delivery and other pertinent information. The notice shall also contain the hours of operation and telephone number for contacting Contractor. The Township will provide mail labels and/or an electronic Excel file to the Contractor for this initial notification.

(c) Contractor will provide the Township with flyers regarding Contractor's services. The Township shall include such flyer as an insert that will be mailed out with the Township's July 2011 tax statements.

6. CARTS AND RECYCLING BINS:

(a) Contractor shall provide one (1) 18-gallon recycling bin to each household at no charge to the resident. Contractor shall retain ownership of the bins. The Contractor may charge a resident for any replacement or additional bins requested by the homeowner.

(b) Contractor will provide each household that requests it, one (1) 95- gallon cart at an annual rental charge of \$36.00 per year. Those households currently renting a cart from Waste Management will be delivered a cart from Duncan by August 1, 2011. Contractor shall be responsible for billing each household and collecting the rental charge. Contractor shall retain ownership of the cart.

7. LARGE ITEM COLLECTION AND DISPOSAL. Contractor shall collect and dispose of large household items and furniture that are in excess of the volume and/or weight limits of the 95-gallon cart. Such items shall have a bulk item sticker attached before being removed for disposal. The Contractor's charge for bulk item stickers shall be \$10.00 per sticker. Any air conditioner, refrigerator or other item containing Freon shall be collected only if such item has a Freon sticker attached. The Contractor's charge for Freon stickers shall be \$50.00 per sticker. Contractor shall provide stickers for the Township to sell. The township shall collect the fees at the Township Offices and reimburse the Contractor said fees on a monthly basis.

8. HOUSEHOLD SUBSCRIPTION FOR COLLECTION AND REMOVAL OF COMPOSTABLE MATERIALS. Contractor shall provide a subscription program available to Township residents to have yard wastes removed once per month during the period from April 1 through November 30. The subscription shall be at a cost of \$10 per each month that a resident

subscribes to the service with an extra charge of \$1.00 for each bag over 10 that are picked up. All yard waste subscription fees shall be billed to and paid by each resident who elects to participate in the program. "Yard Wastes" shall mean organic wastes resulting from landscaping a home such as garden waste materials, soil incidental to minor planting and other waste resulting from lawn maintenance and trees. All households participating must comply with the standards which are provided by the Contractor, which includes that materials must be placed in brown yard waste bags, and no plastic nor biodegradable plastic bags will be accepted. Contractor agrees that on two Saturdays during each spring and two Saturdays during each fall of the contract term, on dates mutually agreed upon with the Township, Contractor will collect one free truckload of drop off yard waste at no additional charge to the Township. Drop off is to be scheduled for no more than four (4) hours at the Township Hall. Any additional loads beyond the one free load will be billed at the following rates:

08/01/2011 – 07/31/2012	\$550.00 per each additional load
08/01/2012 – 07/31/2013	\$560.00 per each additional load
08/01/2013 – 07/31/2014	\$570.00 per each additional load
08/01/2014 – 07/31/2015	\$580.00 per each additional load
08/01/2015 – 07/31/2016	\$590.00 per each additional load

9. **NO ASSIGNMENT.** Contractor shall faithfully perform its work and shall not assign or subcontract the work or any part thereof without previous consent of the Township Board, and shall not assign any monies payable under this agreement, or its claim thereto, unless by and with the consent of the Township Board. Any unauthorized assignment of this Agreement or of Contractor's duties hereunder shall be void.

10. **TERMINATION FOR CAUSE.** The purpose of this Contract is to provide for the removal and disposal of garbage, refuse and recycling and in the event that the Contractor shall fail to abide by the terms contained herein and fail to correct any such failures promptly upon notice, the Township Board may, at its discretion by motion, terminate its obligations herein as of the date of the making and carrying of such motion, when deemed to be in the interest of public health, safety general welfare and convenience of the township residents. Any such termination shall be effective upon the Township providing written notice of the Township Board's decision to Contractor.

11. **INDEMNIFICATION.** If another person, persons, or legal entity sustains loss, damages or injury resulting from the negligence of Contractor, or its assigns, and said loss, damage, or injury arises out of the operation of Contractor's business in connection with the performance of services for the Township, Contractor shall indemnify and save harmless the Township from any and all claims and judgment for damages and from costs and expenses, including reasonable attorney fees, to which the Township may be subject, or which it may suffer or incur by reason of such negligence.

12. **INSURANCE.** Contractor shall carry public liability insurance in an amount of at least \$1,000,000.00 for bodily injury for each accident, and \$1,000,000.00 for each incident of

property damage for injuries and/or loss sustained by reason of the carrying on of the work, \$1,000,000.00 comprehensive general liability insurance and workers' compensation insurance as required by law. The Contractor shall deliver said policy to the Township prior to the commencement of work under the terms of this Contract.

13. **COMPLIANCE WITH LAWS.** Contractor agrees to comply in all respects with the laws of the State of Michigan appertaining to:

- (a) The transport, handling and disposal of refuse;
- (b) Regulation of labor and worker's compensation; and
- (c) Fair employment practices, township ordinances and administrative rules and regulations having the force of law.

14. **DUTIES OF CONTRACTOR.** The Contractor agrees as follows:

(a) To service each residential unit within the Township of Genoa as directed by the Township with a once weekly garbage, refuse and recycling pick-up service at the curb or roadside. In addition, the Contractor agrees to service up to 30 households within the Township who, because of physical disabilities, are unable to deliver their refuse to the curb or roadside. The Township will determine which households qualify for this additional service. The regular pick-up days will be Monday through Friday and shall be by a schedule set by mutual agreement of Township and Contractor. During any work week containing a legal holiday, all scheduled pick-ups on or following that holiday will be one day behind the normal day for the remainder of that week.

(b) To pick-up and properly dispose of discarded Christmas trees on regular pick-up days for three (3) consecutive weeks, beginning no earlier than January 1st for said holiday.

(c) To provide and maintain safe, clean, watertight, enclosed packer trucks at all times in such condition as meets the approval MPSC Motor Carrier Division.

(d) To pay the cost of disposing of all garbage, rubbish, and waste materials at a state licensed disposal facility.

(e) To clean up the pick-up sites when pick-up is delayed or late for any reason and debris is scattered due to the delay.

(f) To make regular communication with the Township through the person designated by the Township Board for the purpose of receiving and responding to any questions and/or complaints regarding the Contractor's service.

(g) To maintain a business office and give telephone number for the purpose of receiving and resolving all complaints regarding the Contractor's service.

(h) To handle promptly and in a businesslike manner, citizen complaints regarding non-collection or inadequate collection of refuse or recycling.

(i) To collect refuse during the "Frost Law" period in a manner equal to collection during other periods of the years, as per paragraph 13 (a) and (b) hereinabove set forth, and in compliance with the rules and regulations of authorities governing those laws.

(j) To make collections on private roads within the Township.

(k) That in the event a private road becomes impassable by reason of the failure to maintain such road, as determined by notice sent, by first class mail, seven (7) days in advance of termination of service that Contractor shall cease collection of garbage and refuse along such road.

(l) The Contractor agrees to provide to Genoa Township residents during the primary term of the Contract, or any extension thereof, pick-up service for disposal of large items of refuse of the nature of household goods and furniture in accordance with paragraph 6 above.

(m) To comply with the applicable requirements of the Township Ordinance number 900102.

15. DUTIES OF TOWNSHIP. The Township further agrees as follows:

(a) Not to require the Contractor to pick-up garbage, rubbish or waste materials each week in more than four (4) thirty gallon plastic garbage bags or equivalent volume in plastic garbage bags, or three (3) thirty gallon garbage cans, or one (1) 95-gallon curb cart from any single unit. Further, Contractor shall not be required to pick up garbage, rubbish or waste materials in any cart which is currently, or was previously, owned by Waste Management.

(b) Not to require the Contractor to pick-up any container having a weight in excess of 60 lbs. or a curb cart which has a total weight in excess of two hundred (200) pounds.

(c) Not to require the Contractor to pick-up a container containing hot ashes.

(d) Not to require the Contractor to pick-up bulky items, building materials, stoves, sofas, etc., not normally considered household refuse except in accordance with Section 6 above.

(e) Not to require the Contractor to pick-up grass, leaves, twigs, brush, and other items, except in accordance with subscription program referenced in Section 7 above

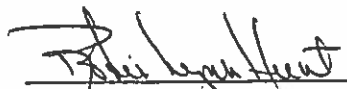

(f) To give free and clear access over roads, streets, and drives within the Township within the recognized restraints imposed by the statutes promulgated by other municipal bodies having control of such ways.

(g) To assume the responsibility of informing all residents to abide by the rules and regulations established under this Contract.

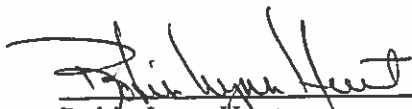

15. **CONTRACTOR'S BREACH AND LIQUIDATED DAMAGES.** The time specified for pick-up is of the essence of this Contract and in the case that Contractor shall fail to make ten (10) or more regular pick-up stops within twenty-four (24) hours of the regular pick-up schedule, with the exception of legal holidays and delays caused by causes beyond the Contractor's control, said failure shall be deemed to be a breach of contract and Contractor agrees to pay the Township the sum of One Hundred and 00/100 (\$100.00) Dollars for each and every day the time consumed in said performance and completion exceeds the time hereinbefore allowed for that purpose. Said sum, in view of the difficulty in ascertaining the loss and inconvenience which the Township suffers by reason of delay in the performance of the work hereunder is hereby agreed upon, fixed, and determined by the parties hereto as liquidated damages that Township will suffer by reason of delay, and is not a penalty; and the Township shall deduct and retain the amount of liquidated damages out of money which may be due or become due under this Contract. Two or more occasions of late pick-ups (as defined above) in any 12-month period shall be considered grounds for immediate termination of the Contract at the option of the Township. Waiver of assessment of the liquidated damages by the Township Board on any occasion arising shall not be deemed a waiver of the right of the Township to access damages pursuant to this paragraph for any breach of the time limits imposed herein.

IN WITNESS WHEREOF, Genoa Charter Township has caused the Contract to be executed by its duly elected Township Supervisor and Township Clerk, under authority contained in a Board of Trustees resolution dated May 2, 2011, and the Contractor has hereunto duly signed and executed this Contract on the date first above written.

MEMORANDUM

TO: Township Board
FROM: Michael Archinal 
DATE: 2/27/14
RE: Cemetery Analysis

We have discussed the possibility of establishing a cemetery at the end of Crooked Lake Road. Attached you will find an analysis of the Township's need for this type of facility over the next 100 years. Several trends indicate a reduction in the need of traditional cemeteries moving forward. We receive very few requests for this type of service and there are sites available in the Cities of Howell and Brighton as well as several churches.

An acre of land yields approximately 2,500 burial plots. The Administrative Committee reviewed the information provided. It is recommended that we set aside two acres of the 25 acres we own at the end of Crooked Lake Road but not move forward with survey or development at this time.

Feb. 19, 2014

State Rep. Bill Rogers
N-891 House Office Building
P.O. Box 30014
Lansing, MI 48933

Dear Rep. Rogers:

This letter is to inform you of our concerns regarding Gov. Rick Snyder's proposed Fiscal Year 2015-16 budget, specifically the lack of increased funding for local roads given the surplus in the state budget. We are pleased to see that the Senate Appropriations Committee is taking action and trying to add \$100 million for state and local roads.

I am asking you to join us in supporting the use of state surplus tax dollars to help pay for local road maintenance. Gov. Snyder has proposed increases for state trunkline roads and bridges as long as there is a match of federal aid money. While we support these repairs, local road maintenance also must be funded. Using budget surplus money will help us to begin the process of repairing our local roads and improving infrastructure for our residents. According to the Michigan Townships Association, 32 percent of Michigan roads are currently ranked as being in poor condition. By 2018, that number is expected to grow to 65 percent.

Livingston County residents have long gotten the short end of the stick regarding road funding. It is time our residents see some of their tax dollars, in the form of the budget surplus, come back to the county. In this case, the money would greatly benefit local roads and improve the quality of life for our residents.

Your support on this matter would be greatly appreciated. If you would like to discuss this further, please do not hesitate to contact me.

Sincerely,

Michael C. Archinal

Howell MI 48843

Mr. Raether,

This Monday the Township Board discussed the concept of excavating and cleaning out the area around the existing ponds on the Township Hall property. The purpose of the effort would be to enhance the ponds as a recreational amenity and to perhaps mitigate the flooding that occurs this time of year over Dorr Road.

I would appreciate the opportunity to meet with you and discuss this concept. Please contact me at your earliest convenience. Thank you in advance for your cooperation in this matter.

Best regards,
